

SEC. 103. FEDERAL RENEWABLE ENERGY PURCHASES.

(a) Requirement- For each of calendar years 2012 through 2039, the President shall ensure that, of the total amount of electricity Federal agencies consume in the United States during each calendar year, the following percentage shall be renewable electricity:

2012	6.0
2013	6.0
2014	9.5
2015	9.5
2016	13.0
2017	13.0
2018	16.5
2019	16.5
2020	20.0
2021 through 2039	20.0

(b) Definitions- For purposes of this section:

(1) RENEWABLE ELECTRICITY- The term 'renewable electricity' shall have the meaning given in section 610 of the Public Utility Regulatory Policies Act of 1978 (16 U.S.C. 2601 and following).

(2) RENEWABLE ENERGY RESOURCE- The term 'renewable energy resource' shall have the meaning given in section 610 of the Public Utility Regulatory Policies Act of 1978 (16 U.S.C. 2601 and following).

(c) Modification of Requirement- If the President determines that the Federal Government cannot feasibly meet the requirement established in subsection (a) in a specific calendar year, the President may, by written order, reduce such requirement for such calendar year to a percentage the President determines the Federal Government can feasibly meet.

(d) Reports- Not later than April 1, 2013, and each year thereafter, the Secretary of Energy shall provide a report to Congress on the percentage of each Federal agency's electricity consumption in the United States that was renewable electricity in the previous calendar year.

(e) Contracts for Renewable Energy- (1) Notwithstanding section 501(b)(1)(B) of title 40, United States Code, a contract for the acquisition of electricity generated from a renewable energy resource for the Federal Government may be made for a period of not more than 20 years.

(2) Not later than 90 days after the date of enactment of this subsection, the Secretary of Energy, through the Federal Energy Management Program, shall publish a standardized renewable energy purchase agreement, setting forth commercial terms and conditions, that Federal agencies may use to acquire electricity generated from a renewable energy resource.

(3) The Secretary of Energy shall provide technical assistance to assist Federal agencies in implementing this subsection.
